

DOG REGULATIONS

Dogs and other animals: Integration and specifics to Article 11 of the guest regulations.

This document is provided upon request at check-in. Entry to the Camping Village signifies full acceptance of these rules. Adhering to the rules ensures the well-being and tranquility of all guests. Thank you for your cooperation.

GUESTS OF BUNGALOWS & MOBILE HOMES

- When booking, request a cot and/or bowl, available free of charge.
- Do not allow your four-legged friend to use the linen, beds, and dishes provided in the bungalows and mobile homes.

HAPPY COEXISTENCE

- Dogs are welcome guests at Pappasole, but for safety reasons, they cannot roam freely.
- Keep your four-legged friend tied so that they do not exceed the boundaries of the pitch or accommodation and avoid leaving them alone for long periods.

RELAXATION AND WALKS

- To relax with your four-legged friend, use the dedicated areas. The relaxation areas for dogs are indicated by appropriate signs and shown on the Camping Village map.
- When walking, always keep your dog on a leash. If you want to let them off-leash, you can take them to our Dog Area.
- Remember that dogs are not allowed in the pool area, playground, sports fields, and the tent.
- Remember to walk on the paths. Dogs are not allowed on the lawns.
- Special shopping carts for dogs are available at the supermarket, so do not tie them outside and leave them alone.

NEEDS & CLEANING

- Prevent your four-legged friend from doing their business on the lawns of the campsite and the accommodations.
- Have your dog relieve themselves away from pitches, bungalows, and common areas.
- Always collect the waste using the free bags provided and some water that you bring with you.
- Remember that many children play on the village lawns, and many people walk barefoot. Not collecting your dog's waste is not only disrespectful to others but also a serious legal violation.
- Remember to remove the waste quickly. High temperatures increase the spread of bad odors and rapid bacterial growth.

FREE BAG DISPENSERS

- You will find free bag dispensers in all relaxation areas, along Viale al Mare, Via delle Nazioni Unite, and Viale Italia.

DOG AREA

- Use our large Dog Area specifically designed for dogs to play and run freely.
- The rules for using the Dog Area are indicated on the signs at the entrance.
- Remember that two enclosures are designated for dog daycare at certain times (paid service).
- To refresh your dog from the summer heat, use the shower in the equipped area at the beginning of the Dog Area.

THE STAFF WISHES YOU AND ALL FOUR-LEGGED FRIENDS A HAPPY STAY.
