

## ADDITIONS AND SPECIFICATIONS TO ART. 11 OF THE GUEST REGULATIONS

---

- At the time of booking, ask for a cot and/or bowl, available free of charge. Do not allow your 4-legged friend to use the linen, beds and crockery in the bungalows and mobile homes.
- During your stay, guarantee your four-legged friend peace and quiet and a peaceful coexistence with your neighbours, tie him up so that he does not cross the boundaries of the pitch or accommodation and avoid leaving him alone for long periods. For greater security, you can use the boxes located on the left-hand side of the main car park for short periods.
- If you want to relax with your dog, use the special relaxation areas shown on the map of the Camping Village.
- Keep your four-legged friend on a leash when you walk through the campsite streets, on the paths leading to the recreational areas and the shopping area and remember that he is not allowed to enter the swimming pools, children playground, playgrounds, lawns or the marquee. At the supermarket, on the other hand, he has his own trolley, so take him with you when you go shopping.
- Avoid letting your four-legged friend relieve himself on the campsite lawns and those in front of the Bungalow de luxe. Remember that it is summer, many people walk barefoot and children play on the lawns. Get along well with other holidaymakers and always pick up your faithful companion's droppings.
- The area designated for your faithful friend's needs is the perimeter of the Dog Area, where you will find free bags for removal.
- Other free waste bag dispensers are located in: Viale al Mare, Via delle Nazioni Unite, Viale Italia and in the relaxation areas.
- If you wish to leave your dog free to run and play, you can use the Dog Area built especially for him. But remember to read the rules!
- Two enclosures in the Dog Area are used for dog daycare at certain times (service charge).
- To refresh your dog from the summer heat, use the shower in the equipped space at the entrance of the Dog Area..

The Pappasole Team is at your disposal to help you respect these simple rules. We wish you, your family and your four-legged friend a peaceful, tranquil and harmonious stay.
